Floor Plans

The following map indicates the various buildings in which the Congress events will take place. Also indicated are the closest tram stops and the Polybahn (cable car), which provide easy access to the site.

Cafeterias (in German: Mensa) are to be found in buildings MM, MEN, CLA and CAB. Also consider the various restaurants, coffee-shops and bars in the surrounding streets, particularly Limmatquai, Niederdorfstrasse and Zähringerplatz in Old Town. (Take a tram or the Polybahn to the Central tram stop then turn left; i.e., southwards towards the lake. Alternatively, take the stairs and pathway down the hill from the end of Karl Schmid-Strasse.)

The following table describes the symbols and colours used in the floor plans on the following pages. Use these maps to locate the rooms and services that you may require during the congress. Frequently the ground-floor (Erdgeschoss) or main entrance (Eingang) is designated as E level. Later/earlier letters denote higher/lower floors, respectively. (However not all buildings follow this rule.)
Building MM — floors A, Z: meeting hall (MM hall), cloakroom, first-aid station, cafeteria (*Mensa*), bar and coffee bars on the C and B levels.
